Community Connections

Warm Welcome

Terrie Hamilton is the newest staff member to join our team as a program facilitator in October. Terrie is originally from Meaford and now resides in Collingwood. Terrie is bringing lots of experience from other related programs in the area. We are excited for Terrie to bring her positive and fun energy to EFL. Terrie is proud of her son who just became a pilot!

Hwaling (pronounced walling) Huang is originally from Twain but has lived in Canada for over 20 years. She joined our staff team in September as a program support staff. Hwaling lives on a farm outside of Clarksburg with her husband David and son Ocean. She brings a wealth of experience and we are excited to have her join our staff team!

Stella Mantrop was our high school co-op student from January to June and stayed on as a summer staff. We are so pleased that Stella has chosen to take her "gap year" with us. Stella has learned so much from the participants and staff. She is a real asset to our team. Stella enjoys all things "crafty" and we have just learned that she is also an avid fisherwoman!
