Best Wishes, Shelley

In December, we gathered to give tribute to the founder and inspired leader of Events for Life. Accolades to Shelley were made and stories about her dedicated work shared. In the end the message was clear – Shelley, you are loved and equally, you share your love and energy with us at EFL. As Ralph Waldo Emerson said “Dare to live the life you have dreamed for yourself. Go forward and make your dreams come true” Thanks for making your dream before retirement, Events For Life, come true to the benefit of the participants, family and staff. May your retirement dreams be as successful – full of fun and adventure.

Happy Retirement

STAFF NEWS

Welcome Clara and Clare! Clare and Clara are joining EFL as support staff. (no, they are not related! lol)

CLARA

Clara Pretli

Clara was raised in Meaford. She graduated from Western University with an Honours Specialization in Psychology (BA) and a minor in Gender, Sexuality, and Women's Studies. Clara volunteers for multiple organizations, including the Canadian Mental Health Association, where she has been a mentor and volunteer for almost 2 years. Clara is currently enrolled in various online courses, including ASL, with the goal to apply for a Master's degree in Speech and Language Pathology. We are excited to have Clara continue incorporating ASL into our program.

Clare Hopkins

Clare is a graduate of the Massage Therapy program at Georgian College, and she will be attending university in Ireland 2025-26 to complete her 4th year of a Bachelor of Science program in Health Sciences. She is a lifelong competitive athlete, a certified personal trainer and a yoga instructor. She is a marathon runner, and she has played competitive hockey for 15+ years. Clare resides in Collingwood. She is an upbeat, responsible and hard-working individual who has actively volunteered with a number of organizations including Special Olympics. Upon her return from Ireland, she plans to complete teacher's college so she can pursue a teaching career. We are so grateful to have Clare join the team.

CLARE

Kelsey is taking on a program staff role including the workshop program and work experience program. She will facilitate healthy lifestyles and other activities at the EFL Centre and BMCC. Look out for new craft and card making ideas!

Abbey continues to do an amazing job managing the EFL arena cafe. She is always looking for volunteers so if you are interested in helping out, let Abbey know. Abbey is currently working on her Masters but has time to help in a support staff role two days per week.

Laura has moved to a program staff position in charge of the Performing and Creative Arts programs. Did you know Laura used to be a dancer? She is very excited to start working on the "Spring Fling" and bring some new creative ideas to the program.

Kait We are happy to have Kait back in action. She is continuing her impactful role as support staff and helping mentor the new staff.

Ernie will continue leading culinary adventures, science and experiential programs at the EFL Centre and BMCC. We look forward to "Edwardo de Flamingo" surprising us during aqua fit and other programs.
